

Amarr® Classica®

Full View and Flush Modern Garage Doors

Full View design with Frost glass in Dark Brown

Bring natural lighting indoors. The three-section tall Amarr Classica Full View garage door allows maximum natural lighting to your interior space with the largest windows available in any Amarr steel garage door. The modern design combined with polyurethane insulation provides years of energy efficient performance. Improve your view of the world with an Amarr Classica Full View door.

Sleek and sophisticated. Amarr Classica Flush garage doors complement any modern architectural style home. The flush design is ideal for homeowners who want a contemporary look with the taller panels of a 3-section door. Polyurethane insulation is energy efficient and helps moderate garage temperatures year round.

Flush design in Charcoal Gray

Construction

CL3000

Triple-Layer:
Steel + Insulation + Steel

- Heavy-duty exterior and interior steel
- Durable, reliable, low maintenance
- Environmentally safe polyurethane thermal insulation
- Insulated glass options available
- Superior energy efficiency
- Extra quiet operation

¹ Insulation has passed self-ignition, flamespread and smoke developed index fire testing. ² Calculated solid door section R-value is in accordance with DASMA TDS-163. ³ It is your responsibility to make sure your garage door meets local building codes. ⁴ For complete warranty details, visit amarr.com or contact your local Amarr dealer.

Verified thermal performance rating per DASMA Thermal Performance Verification Program. * Price upcharge applies.

Colors

Actual paint colors may vary from samples shown. Price upcharge applies to all colors except True White.

Amarr Color Zone®
Over 800 Sherwin-Williams SnapDry™ paint colors; approved list is at amarr.com/amarr_color_zone. Check your local Sherwin-Williams store for paint chips.

Amarr doors are pre-painted; homeowners can use exterior latex paint for custom colors. Visit amarr.com for painting instructions. Non-factory painting of garage door voids the paint finish warranty.

* Available in Classica Full View only.

Tempered Glass Options

Insulated glass* available in Clear, Frost and Dark Tint.

Decorative Windows

† Window insert shown on Clear glass. Insert also available with Obscure, Frost or Dark Tint glass. ‡ Tempered obscure glass with baked-on ceramic design. Design visibility varies due to lighting.

Amarr participates in the DASMA Thermal Performance Verification Program. The program verifies the thermal performance of a complete sectional door assembly. The lower the U-factor rating, the better the thermal performance.
